Take a Stroll thru Downtown Toledo

There are many options for activities during an Oregon Coast visit, the beaches, the many excellent restaurants and attractions, the parks and golf courses to name a few. If you have an interest in exploring a unique arts scene located in one of the best preserved downtown areas of any town on the Oregon Coast then Toledo is worth a visit, located 8 miles inland from Newport along highway 20.

In the compact downtown area of Toledo are many galleries, restaurants and 3 museums, all reachable during a leisurely walk.

Toledo has become a home to many artists and renowned artist Michael Gibbons was the first to establish a Toledo gallery several decades ago which was the beginning of a wave of new artists to the area.

Lets take a stroll thru downtown Toledo and visit a few galleries, restaurants and attractions.

The Crows Nest Gallery is a gallery with studio space featuring the work of over 15 artists, who utilize a variety of mediums in their artwork, run by assemblage artist Janet Rungar.

Gallery Michael Gibbons displays the impressive legacy of the late artists artwork which evokes the beauty and mystery of nature in the Yaquina river region.

The Ivan Kelly gallery, displays the high quality maritime and animal artwork of the Irish born artist.

The Yaquina River Museum of Art is a local art museum featuring the works of the accomplished artists who live and draw inspiration from the Yaquina Watershed region. Featuring new exhibits throughout the year and sponsoring local art events such as First Weekend Toledo Art and the Toledo Labor Day Art Walk.

Toledo's downtown also features **Colorful Murals** covering various buildings, these are highlighted during the Toledo Art Mural Walks.

Cobblestone Pizza is a family-owned and known for delicious pizza made with fresh ingredients. Located at the end of Main Street, Cobblestone has a beautiful view of Toledo's Waterfront Park.

Cup of Sass is a small-town cafe that's one of those places where the atmosphere is nostalgic in its classic simplicity. Open 7 days a week, 6AM-2PM Mon-Sat and 7:30AM-2PM on Sundays.

Timbers Restaurant & Lounge is a classic all-American diner with great burgers and other staples. A family-friendly restaurant on the top floor, with the local bar for your evening fortification in the lower section. Timbers is a family-owned business with a 30-year history in Toledo.

The Toledo Oregon History Center displays a record of the greater Toledo area's historical influence through photos, artifacts, displays, oral histories, news articles and more to learn about the town's renown for industry from ship and plane building.

The Yaquina Pacific Historical Railroad Society Museum is a fascinating collection of rolling artifacts including the Baldwin steam engine used in the local lumber industry from 1922-1959, the 1907 Southern Pacific Caboose, and step inside of the 1923 Southern Pacific Railway Post Office car. The Museum is open Tues-Sat from 10AM-2PM.

Don't miss the **Art, Oysters & Brews** weekend event Aug. 2 & 3 featuring local wineries, breweries, fresh oysters and local artists
